SOUTHWEST TRANSPLANT ALLIANCE
A NONPROFIT CORPORATION

Texas Discovery Gardens at Fair Park Organ Donor Memorial Walkway

The Texas Organ Donor Memorial Walkway and Tree Planting Program has been designed to allow transplant recipients and donor families to memorialize those who have given so graciously as well as to create a public and statewide memorial to organ donors.

Transplant recipients and donor families may purchase a brick, inscribed with the name of the donor, that will be placed in this private walkway as well as help with new tree plantings that will create a memorial to all organ donors. The walkway is located next to the Texas Discovery Gardens at Fair Park.

Your pledge of $100.00 will allow you to place a brick with your donor or your loved one's name in the walkway and help with the planting of new trees.

To purchase a brick, complete the form to the right. Please fill in the spaces below to show exactly how the inscription should appear. Each brick has three lines with 12 characters per line (including spaces between words).

Please make checks payable to **Friends of Fair Park** and mail along with completed form to:

Southwest Transplant Alliance
3710 Rawlins, Suite 1100
Dallas, Texas 75219
